Welcome!

"Student organizations are one of the reasons why students succeed at California Western School of Law. Student organizations help instill core values such as leadership, team work, diversity, and philanthropy into students' practice of law. California Western's student organizations encourage students to network and create connections with peers, faculty, staff and other members of the community, and build these connections into relationships that will continue as alumni. Student organizations are formed to help students thrive during their time in law school and beyond. "

- Lane Torsy, SBA President

STUDENT BAR ASSOCIATION

Mission Statement

The purpose of the Student Bar Association (“SBA”) is to establish and operate a student government to foster and promote the general student welfare and to promote high ideals of scholarship, service and ethics. The duty of the SBA is to represent the members of the student body in all the matters affecting the school.

The SBA invites all students to get involved by joining one of the committees such as Barrister’s Ball Committee, Race Judicata Committee, or Community Outreach Committee, or by attending a SBA meeting, which is open to the public.

Contact the SBA President for more information about becoming involved at SBApres@law.cwsl.edu.

STUDENT ORGANIZATION ADMINISTRATION

Student Organization Officers

Student organization leaders play an important role within California Western School of Law. Student organizations create both professional and social opportunities for students and continuously encourage involvement throughout the year. The experience to participate in a student organization is an invaluable experience for a law student.

a) List of Officers

Student organizations must submit a full list of their elected officers by the end of the first full week of classes to StudentServices@cwsl.edu. Because the Assistant Dean for Student & Diversity Services oversees and approves expenditures from the SBA accounts, it is crucial that the office has an updated list of the officers authorized to commit the organization's funds.

Please note that not submitting contact information might slow the reimbursement or check request process as well as delay communications regarding scholarships and other opportunities for the organization.

b) E-Mail Account

Each student organization has an official CWSL e-mail address. This is the e-mail account disseminated to the public and others who might be interested in your organization. Please contact StudentServices@cwsl.edu to obtain your organization's email and password.

i. Security

CWSL has a security setting on the student email system that limits any account from sending more than 100 email messages in an hour. If an account tries to send more than 100 in an hour, the email account is disabled. If your organization needs to have this limit raised, please contact dstarnes@cwsl.edu for an adjustment.

If you receive the following message: *"Your mailbox is almost full, click here and enter your username and password to get more mailbox space"*, DO NOT respond as this is a phishing message.

ii. Passwords

Passwords are changed at the end of each Summer Trimester. Student & Diversity Services will distribute the updated passwords to current, authorized student organization board members.

If you misplace or forget your password, please contact StudentServices@cwsl.edu.

c) Webpage

The SBA provides a website for student organizations at <http://cwslsba.org/>. Please use your webpage to list the mission of the organization, current board members as well as to announce meetings and events in more detail.

d) Elections/Transition of Officers

In order to help the incoming officers perform their leadership duties, it is strongly suggested that each organization create a “*How To*” guide. The guide should include information regarding administrative procedures, such as the Student Organization Guide, as well as any community contacts the organization may be affiliated with. This guide should be amended as appropriate at the end of the officers’ term(s).

Student Organization Room

The Student Organization Room is located in the 350 Building on the Lower Level. Lockers, cubicles and mailboxes for student organization are located in the lounge. Locker and cubicle space for student organizations is a privilege, not a right. Please be considerate of the organizations and individuals with whom you are sharing space.

Please contact StudentServices@cwsl.edu to find out the locker and/or cubicle number for your organization or to request one.

During final examinations the lounge is used by Faculty Support for testing. An email notice will go out with instructions to clean out your cubicle and locker area. This is a mandatory cleanout.

a) Lockers

The President and Vice President of each organization may be issued locker keys. To obtain a key:

1. Pay the \$10.00 deposit in the Business Office (you will receive a receipt).
2. Take the receipt to the security desk in the 350 Building lobby.
3. Keys must be returned to Security at the end of the President/Vice President’s term.

SAFETY NOTE: Items should never be stored on top of the lockers as they are a safety hazard. Any items placed on top of the locker will be removed and discarded by facilities at any time without notice.

b) Cubicles

To obtain a cubicle name plate, send your request to StudentServices@cwsl.edu. The cost for a name plate averages \$16.00. Your student organization will be invoiced when the name plate arrives.

Please fill out a [Student Organization Vendor Check Request Form](#) (Appendix M) and submit (with invoice) to the SBA Treasurer.

c) Mail

The school's administrative address (225 Cedar Street, San Diego, CA 92101) may only be used for student organization mail. Personal student mail is not permitted at California Western. Please ensure that mail is addressed to the name of the student organization.

The SBA Administrator will pick up student organization mail on a weekly basis and distribute to the student organization mailbox which is located in the Student Organization Room.

Student organizations may mail letters and packages at the main reception desk:

*225 Administration Building, First Floor
Monday – Friday
8:00 a.m. to 5:00 p.m.*

You must have your organization's account code at that time as it will be charged immediately.

d) Fax Machine

There is a fax machine located in Cubicle #1 in the Student Organization Room (350 Building, Lower Level) for students to use. Please note only outgoing faxes are allowed.

e) Supplies

Student organizations are responsible for ordering their own supplies and should have a budget already set aside for any supplies it may need. Organizations should purchase the supplies and submit a Student Organization Reimbursement Form (Appendix L) to the SBA Treasurer.

STUDENT ORGANIZATION EVENT

POLICIES & PROCEDURES

Student Organization events play a critical role in enriching the law school experience. Student Organization events should relate to the mission of California Western School of Law.

Once your organization decides to host an event, there are key event planning decisions to be made, such as:

- What type of event is it?
- Where will the event be held? (at CWSL or off-campus?)
- When will the event be held? (Certain events require at least 6 months planning).
- Who is your target audience?
- How to publicize your event?
- How to pay for your event?

Important points for **every** event:

1. Read the entire Student Org Guide. Event planning guides and checklists can be found in the Appendix section.
2. For every event a [Student Organization Event Approval Form](#) must be completed (see Appendix C).
 - Forms are located on the SBA website at <http://cwslsba.org/>.
3. If the media is being invited to your event, you must notify Marketing & Communications in advance at Media_Relations@cwsl.edu.
4. If you are charging for your event to non-CWSL individuals or organizations, then review the CWSL [Room Booking Policy](#) (page 20) for applicable room rental fees.
5. CWSL's alcohol policy applies to ALL on-campus events (see CWSL [Room Booking Policy](#), pages 14-17).
6. Keep good records.
 - Keep track of all aspects of event planning AND keep track of all receipts so you can be reimbursed.

I. WHAT TYPE OF AN EVENT ARE YOU PLANNING?

Every year CWSL student organizations plan many types of events. Most events are on-campus, such as meetings, speakers/panel discussions, fundraising (bake sales), community service, networking and movie screenings. Off-campus events are usually networking/mixers, community service and fundraisers.

Key information to help you plan an event is summarized as follows:

A. Meetings

Student organizations must follow their individual charters regarding meetings, however it is suggested that every meeting should include the following:

- Agenda
- Minutes
- Action Items

Student organizations can forward each General Meeting's agenda to the SBA in order to have them posted on the SBA website and available on hard copy in the SBA Student Organization binder (located in the SBA cubicle). If interested, please contact SBAAdmin@law.cwsl.edu.

The SBA requests the minutes from General Meetings throughout the semester. These will not be posted online but are requested as a matter of record. Please forward materials to SBA Administrator at SBAAdmin@law.cwsl.edu.

B. Speakers/Panel Discussions

No more than two (2) student organization-sponsored speakers will be allowed on a given date, and no student organization-sponsored speakers will be authorized on the same date as a Faculty Development speaker.

Resources:

A). Speakers

The Career and Professional Development Office is a resource for finding speakers. Please contact them at Career_Services@cwsl.edu.

B). Thank You Gifts

Gifts for speakers may be ordered on the CWSL online bookstore or ordered by David Crowell in Institutional Advancement (drc@cwsl.edu).

- Please note gift cards are **not** allowed.
- Gifts will be charged to the organization. Please make sure to budget for these items.
- Plan on one week to receive the gifts.

C). MCLE

If you are interested in providing Mandatory Continuing Legal Education (MCLE) credits, please refer to Appendix B for procedure and tips.

C. Fundraisers

Student organizations may raise money for dues accounts and/or charitable donations. All fundraising activities must be approved by the Assistant Dean for Student & Diversity Services. All California Western policies apply to student organization fundraising events and activities (e.g. room booking, Business Office, etc.).

a) Charitable Donations

Fundraisers for a charitable donation (i.e. auctions) must be approved by the Assistant Dean for Student & Diversity Services and the Development Department at least three (3) months in advance of the fundraiser. Requests submitted less than three (3) months in advance may not be approved. Please see Appendix A for policy and procedures.

- Student organizations are encouraged to meet with the Development Department once the event is approved to discuss fundraising strategies, materials and beneficiary.

b) Dues Account

Fundraisers for a student organization's dues account (i.e. food sales) must be approved by the Assistant Dean for Student & Diversity Services. No more than two (2) food sales are permitted per week, and they cannot be held on the same day. Please see Appendix A, section 4.2 for policy and procedures.

D. Philanthropy (Community Service, Donation Bins)

The SBA requires each SBA-recognized student organization to perform a minimum of one philanthropic activity per trimester (summer trimesters are exempted *if* the organization is not active during the summer trimester).

E. Networking/Mixers

Building relationships among other students, alumni and legal professionals is a key skill for a rewarding legal career and an opportunity to balance out the rigors of studying for most students.

CWSL's alcohol policy applies to ALL on-campus events (see CWSL [Room Booking Policy](#), pages 14-17). If the networking/mixer is on-campus then the event host **must** hire a company for bartending services with a valid permit to serve alcohol at the event. A copy of the company's vendor license and insurance policy must be submitted to the Student & Diversity Services office with the Event Approval Form.

At all networking/mixer events with alcohol, event hosts are encouraged to prevent intoxication by:

- Providing for a sufficient amount of alternative, non-alcoholic beverages;
- Providing a sufficient amount of substantial, wholesome food; and
- No self-service of alcohol.
- Event hosts are legally responsible to insure CWSL policies and all applicable laws are complied with.

Further, student organizational funds shall not be used for the purchase of alcohol at student organization events, except Barrister's Ball. Individual members may purchase alcohol for personal consumption at off-campus events, but students will NOT be reimbursed for any alcohol purchased at an approved event from student organizational funds (SBA budgeted or dues account).

F. Conference/Symposiums

CWSL has a strong tradition of hosting student organized conferences such as the Business Law Conference and Entertainment & Sports Law Symposium. Successful conferences and symposiums require at least 9 months to plan and must be held during times when other major campus-wide events are not being held.

- If a student organization is hosting an event on campus and wishes to charge admission, CWSL is required to also charge the student organization a room rental fee at its standard rate.

In addition, you cannot require a "contribution" to attend a student event held on campus to avoid this policy. (See CWSL [Room Booking Policy](#)).

While in the event planning stage, student organizations should consult with Student & Diversity Services, Career & Professional Development Office, Alumni Affairs and Marketing & Communications.

Resources:

A). Thank You Gifts

Gifts for speakers may be ordered on the CWSL online bookstore or ordered by David Crowell in Institutional Advancement (drc@cwsl.edu).

- Please note gift cards are **not** allowed.
- Gifts will be charged to the organization. Please make sure to budget for these items.
- Plan on one week to receive the gifts.

B). MCLE

If you are interested in providing Mandatory Continuing Legal Education (MCLE) credits, please refer to Appendix B for procedure and tips.

G. Movie Screenings

All events at CWSL must comply with the law school's institutional mission. Before deciding on your movie, review the ***Compatibility with Institutional Mission*** section of the CWSL [Room Booking Policy](#).

Due to copyright laws, student organizations interested in showing a film must have written permission from a licensing agent, unless the film is already in the public domain. Don't forget to fill out a room booking request form as well as an email to Audio Visual (EdTech@cwsl.edu) for A/V needs.

- **How to Obtain Copyright Permission**

Student organizations must obtain a Public Performance License from a licensing agent (i.e. [Swank Motion Pictures, Inc.](#)) to show a film. Some film makers are happy to charge only a token fee, others may request more.

You will need to be very specific when requesting permission and include the following information:

1. Indicate whether the screening is open to the public or for the California Western community only.
2. Indicate the number of people you expect to view the movie.
3. Indicate if you will be charging a fee.
 - Once you obtain written confirmation you must submit a copy to StudentServices@cwsu.edu.

- **Public Domain**

“Public Domain” refers to the body of creative works and knowledge in which no person, government or organization has any proprietary interest such as a copyright. Below are a few sites that contain movies commonly thought to be in the public domain, and works their owners are willing to let be distributed:

<http://www.fesfilms.com/>

<http://www.desertislandfilms.com/>

<http://www.reelmediainternational.com/>

<http://www.buyoutfootage.com/>

<http://archive.org/details/movies>

- **Admission Fees**

If you are charging a fee for your event to non-CWSL individuals or organizations, then review the CWSL [Room Booking Policy](#) (page 20) for applicable room rental fees.

II. EVENT SCHEDULING: Master the CWSL Calendars

In addition to a full schedule of classes, CWSL books more than 4,000 other room requests annually, including meetings, social events, academic events, student organization events, competitions, and community events. Start planning your event as soon as possible especially if it is a signature event such as a conference, large fundraiser, well known speaker, etc.

When choosing a date, review the [CWSL online calendar](#) to find out if there is a conflict with another event.

Some additional considerations:

- Requesting a room must be made well in advance and **no less than 48 business hours prior** to the event. Facilities Management makes every attempt to respond to a request with a confirmation, a declination, or an inquiry into an alternative, within 48 hours from the date and time of receipt of the original request. However, due to Facilities workload, it is strongly recommended that you submit your request as soon as possible.
- Student groups who wish to book a room may do so in the current or next trimester. Exceptions to this may be made with the approval from Student & Diversity Services for annual student events, etc. Rooms booked in advance of the next trimester are subject to being bumped when the next trimester's class schedule is programmed into the schedule, as classes take priority over all other events.

III. EVENT LOCATION: Where will the event be located?

A. Off-Campus Events

Planning a Student Organization event held off-campus requires Student & Diversity Services approval as stated above. The next steps are dependent on the type of event being planned.

Key items to consider:

- Checking the [CWSL online calendar](#) for the best date for the event
- Securing a location
- Reviewing the CWSL [Room Booking Policy](#) (pages 14-17) and Student Organization Reimbursement Policy regarding alcohol purchases for student organizations.
- Consulting with the resources at CWSL
 - Networking/Mixers: Career & Professional Development Office, Alumni Affairs
 - Fundraisers: Development, Student & Diversity Services
 - 501(c)(3) Statement, CWSL Insurance Certificate – Business Office
 - Community Service – other student organizations, CWSL departments

B. On-Campus Room Booking Procedures

a. Overview

CWSL provides access to rooms such as classrooms and lobbies to student organizations for meetings and events. Before selecting your on-campus location, review the CWSL [Room Booking Policy](#) to learn important policies regarding:

- Table displays
- Posting of notices
- Bake/food sales
- Serving of alcohol
- Marketing of your event off-campus
- Compatibility with Institutional Mission (includes information on admittance fees)

Student organizations may book the First and Second Floor lobbies in the 350 Building for purposes consistent with the mission of the student organization such as event sign-ups, ticket sales, bake sales, blood drives, etc.

Please note that the display tables are allotted on a first-come, first-served basis and due to space limitations, not all requests will be approved.

- **First Floor Lobby**
Any day of the week for a maximum of two (2) days per week
- **Second Floor Lobby**
Tuesdays and Thursdays

b. Step by Step Guide to Booking Your Room

1. Student organizations must fill out a [Student Organization Event Approval Form](#) (see Appendix C). Forms are located on the [SBA website](#). This form will be automatically submitted to the office of Student & Diversity Services for approval. Please note that there is up to a **48-hour reply time**.
 - Requests made over the phone, via voicemail, or verbally in person will not be accepted. There will be no exception to this rule.
2. Once approved, Student & Diversity Services will email the approval to the student organization and Rooms (for room booking confirmation). Please note that there is up to a **48-hour reply time** for Rooms to process the request.

3. Once you receive your room booking confirmation from Rooms, you should:
 - 1) Request any special set-up such as tables and chairs, extra trash cans, etc. by forwarding your room confirmation e-mail to Facilities@cwsl.edu. NOTE: If tablecloths are needed you must request them **two weeks prior** to the event.
 - 2) Request Audio Visual equipment such as microphones, projectors, etc. by forwarding your confirmation e-mail to EdTech@cwsl.edu at least 72 hours in advance of the event.

IV. **EVENT ADVERTISING: How to Get the Word Out**

I. **CWSL Online Calendar**

Once the event has been approved and the room booking confirmed, Student & Diversity Services will add the information to the [CWSL online calendar](#).

II. **E-mail Blasts**

Please note that e-mail blasts to the student body are not allowed unless it is for an SBA event for the entire CWSL Community (which includes Faculty, Staff and Students) such as Race Judicata, Barrister's Ball, CWSL Talent Show, etc.

III. **Posters**

Student organizations must get advanced, written approval from Student & Diversity Services in order to display posters in the First and Second Floor lobbies of the 350 Building.

It is recommended that you send a digital proof to StudentServices@cwsl.edu prior to printing in order to avoid additional printing costs in the event the poster needs to be edited for content (examples of prohibited content: guns, images or references to alcohol, profanity, etc.).

- If you are using an image that you found on the internet you must make sure you are not violating copyright law. Please review the "[Using Images Created by Others](#)" policy (see Appendix I).

Please note that **flyers are not allowed** on campus. Please review the "[Posting of Notices and Announcements](#)" policy (see Appendix G).

a) **Copy Center**

You may submit items for copying to the on-campus Copy Center located in the Faculty Support Services Office (225 Administration Building, Third Floor). Please provide adequate time for them to make copies, especially during exam periods. Your charges will be billed to your organization's account.

b) External Vendors

You may use any vendor for copying services, but you may not establish accounts for billing to the law school. You will be held personally responsible for any accounts set up for your student organization.

When working with external vendors, you may:

- Pay the bill and submit a [**Student Organization Reimbursement Form**](#);
or
- Obtain an invoice and submit a [**Student Organization Vendor Check Request Form**](#) to request payment by check. Please note it can take up to two (2) weeks for the Business Office to complete the process.

IV. Social Media

Marketing & Communications can assist student organizations in promoting events through the CWSL social media channels, website, and newsletters. Please contact Media_Relations@cwsl.edu.

STUDENT ORGANIZATION FINANCIAL POLICIES

CWSL students are charged a student activity fee (\$50) for each trimester in which they are enrolled. A portion of the fee (\$38) is distributed to the SBA to fund SBA and SBA-recognized student organizations' activities. The rest is applied to commencement related expenses.

All student organizations recognized by the SBA are eligible to receive funding. Each trimester active organizations seeking funding must submit a request for funds through a formal request process known as a Budget Hearing. Once an organization has been granted funds they are able to request reimbursement of funds or pay a vendor for an approved event.

I. How do I pay for event expenses?

A. Things to Know – General Rules

- Most goods and services are reimbursable. If you are not sure whether your expense is reimbursable, please contact the Assistant Dean for Student & Diversity Services.

Examples of reimbursable expenses:

- Meals
- Office supplies
- Printing of posters
- Catering
- Rentals
- T-shirts

Examples of non-reimbursable expenses:

- Gift Cards
 - Alcoholic Beverages (beer, wine, etc.)
- Reimbursement requests will only be processed if the event was approved by Student & Diversity Services and:
 - The student organization's budget has been approved by the SBA; and/or
 - There are sufficient funds in the student organization's dues account
 - Every event **MUST** be approved by Student & Diversity Services. If the event was not approved, then reimbursement may be denied by SBA Treasurer or Assistant Dean for Student & Diversity Services.
 - Student organization funds shall not be used for purchase of alcohol at student organization events, except Barrister's Ball. Individual members may purchase alcohol for personal consumption at off-campus events, but students will NOT be reimbursed for any alcohol purchased at an approved event from student organizational funds (SBA budgeted or dues account).

- All forms must be filled out accurately and completely, or will be denied by either the SBA Treasurer, Assistant Dean for Student & Diversity Services or CWSL Business Office.

B. Before the Event

Prior to the event, there are two options to pay for event expenses:

- 1) Payment by check directly to the vendor, and
- 2) Advance Request

Both methods require completed forms to be submitted **at least 14 calendar days** before payment is due. **All general rules from section 1, page 19, apply.**

1) How do I pay an outside vendor directly?

a) Things to Know

The [Student Organization Vendor Check Request Form](#) (see Appendix M) is used to pay a vendor directly for goods and/or services relating to student organization activities.

Student Organization Vendor Check Request Forms are located on the [SBA website](#) as well as in the SBA cubicle inside the Student Organization Room (350 Building, Lower Level, Cubicle #1).

- Vendor Check Requests will only be processed if the event was approved by Student & Diversity Services and:
 - The student organization's budget has been approved by the SBA; and/or
 - There are sufficient funds in the student organization's dues account

b) Procedure for Outside Vendor Payments

1. Obtain a [Student Organization Vendor Check Request Form](#) from the SBA cubicle or the [SBA website](#) and complete with relevant information (see Appendix M).
2. Attach a detailed invoice from the vendor that contains the following:
 - Name of the company or payee that provided the goods and/or services
 - Description of the goods or services provided
 - Client name listed as California Western School of Law c/o [STUDENT ORGANIZATION]
 - Amount due

3. Attach a Form W-9 if the vendor/payee is new (please check with the Business Office).
4. Include a valid business purpose – necessary per I.R.S. regulations.
 - This should accurately describe the event and the purpose of the event. For example, “t-shirts” is not sufficient. However, “t-shirts for student initiation ceremony” is sufficient.
5. Submit completed form with all attachments to the SBA Treasurer **at least 14 days prior to when the check is needed**.
6. The Business Office processes check requests once a week. After the SBA Treasurer processes the request, s/he obtains approval from the Assistant Dean for Student & Diversity Services.
7. The approved request then goes to the Business Office. You will be contacted when the check is ready to be picked up by the Business Office. The entire process can take up to two (2) weeks.

2) Student Organization Advance Request (SOAR)

a) Things to Know

For student organization expenses in excess of \$100.00, student organization members may request an advance of funds. The amount requested must be available in the dues account or approved by the SBA through budget process.

b) Procedure for advance

Student must complete a [Student Organization Advance Request Acknowledgment Form](#) (SOAR) (see Appendix J) available on the [SBA website](#). The process may take up to 14 calendar days. Plan accordingly.

- If amount requested is in excess of \$350.00, attach quote to support advance request.

The completed SOAR form must first be sent, via e-mail, to the SBA Treasurer (SBATres@law.cwsl.edu) who will confirm via return e-mail that the funds are available. The confirmation e-mail must be attached to the request before submitting to the ADSDS.

- i. Once approved by the Assistant Dean the form will be submitted to the Business Office for processing.

- ii. The Business Office will follow its normal check issuing procedure (i.e. requests submitted by close of business on a Wednesday will be available for pick-up on Friday of the following week).
- iii. Students will have **14 calendar days** from the date of the check to submit the [Student Organization Advance Request Reporting Form](#), (see Appendix K) available on the [SBA website](#), with supporting documentation and original receipts to SBA Treasurer.
- iv. Failure to submit the required documentation and/or return any unused cash by the deadline may result in the following actions at the discretion of the Assistant Dean:
 - a) **Amount may be reported to the Internal Revenue Service as compensation to the student.**
 - b) **Student may have a Business Office hold placed on the student's account.**
 - c) **Student Organization may be prohibited from further reimbursements during the trimester.**
 - d) **Student Organization may be prohibited from seeking SBA funds the following trimester.**
 - e) **An Honor Code violation may result.**

II. After the Event – How do I get paid for funds I spent for the event?

1. Obtain a [Student Organization Reimbursement Form](#) from the SBA cubicle or the [SBA website](#) and complete with relevant information (see Appendix L).
2. Include a valid business purpose.
 - This should accurately describe the event and the purpose of the event. For example, “lunch meeting” is not sufficient. However, “lunch meeting to discuss the organization’s trimester events” is sufficient.
3. Attach original and itemized receipts reflecting the method of payment (cash, check, credit card). Under exceptional circumstances, if you are unable to obtain an itemized receipt, a written detailed description of what was purchased must accompany the receipt showing payment was made (see Appendix N).
 - If you are unable to obtain an itemized receipt for purchases of \$75.00 and higher, you must submit a [Missing Receipt Log](#) (see Appendix O).

- If a check was used to pay the expense, you must attach a copy of the cancelled check (front and back)
- 4. Submit completed form with all attachments to the SBA Treasurer within 60 days of the event. **Submissions received past 60 days will be denied.**
- 5. The Business Office processes reimbursement requests once a week. After the SBA Treasurer processes the request, s/he obtains approval from the Assistant Dean for Student & Diversity Services.
- 6. The approved request then goes to the Business Office. The entire process can often take up to two (2) weeks.

MARKETING & COMMUNICATIONS

The Marketing & Communications department at California Western School of Law manages all print publications, media relations, branding (logos, etc.), and the official CWSL News blog, Facebook, Twitter, LinkedIn, and YouTube channels, among other responsibilities.

Student organizations wishing to include the official California Western nameplate (logo) on brochures or materials must contact Media_Relations@cwsl.edu. Those using the school nameplate will be required to comply with the official Style Guide and provide a copy of the final product.

If you are inviting members of the media to an on-campus event or class, you must inform Security and Marketing & Communications. Our security policies require that the Director of Marketing & Communications be informed when media are on campus.

Student organizations with compelling stories to share (i.e. service projects, tutoring, major accomplishments, etc.) are welcome to submit those stories to Marketing & Communications for consideration. Here are some tips to keep in mind when promoting your projects and news items, either to the Marketing & Communications department or to the media/public through your own efforts:

- Be prepared to explain why your news item is interesting – what’s different about it?
- Explain how your news item supports or demonstrates concepts you are learning in law school
- Provide just enough useful information (who, what, when, where, etc.) with a contact name and information for follow-up
- Provide a few days’ notice, not the day of or day before an event
- If seeking coverage after an event or newsy development, follow up right away; news can get “stale” very quickly
- Include photos, if you can

Social Media Guidelines for Student Organizations

All student organizations must comply with the CWSL Social Media Guidelines (see Appendix H) approved in January 2014.

The guidelines provide appropriate best practices for California Western student organizations with social media channels in order to maintain a professional online presence for the law school and to protect the reputation of the law school.

FUNDRAISING POLICY AND PROCEDURES FOR STUDENT ORGANIZATIONS (8/2015)

1. General Policies

- 1.1. These policies apply whenever students individually or as student organizations seek to raise funds as charitable donations under the non-profit status of CWSL.
- 1.2. All fundraising activities except bake or food sales must be approved by the Assistant Dean for Student & Diversity Services and the Development Department at least three (3) months in advance of the fundraiser. Requests submitted less than three (3) months in advance may not be approved.
- 1.3. All Student Organizations are encouraged to meet with the Development Department once the event is approved to discuss the fundraising strategy.
- 1.4. Fundraiser materials (emails, flyers, letters, etc.) must be submitted to the Development Department at least two (2) months prior to the fundraiser. All such materials must be approved by the Development Department prior to use.
- 1.5. Student organizations may not purchase goods (other than bake-sale items) in order to resell for a profit or to raise funds for any activities (e.g. a student organization may not purchase t-shirts with their organization's logo in order to resell for a profit). However, Student Organizations may purchase branded t-shirts from their dues accounts as giveaways for PR purposes or under section 4.3 below.
- 1.6. All California Western policies apply to students fundraising events and activities (e.g. room booking, Business Office, etc.).
- 1.7. All Student Organizations are strongly encouraged to select a CWSL fund or program for their fundraiser beneficiary.

2. Fundraising Policies for CWSL (Internal) Programs and Funds

- 2.1. Once the event is concluded, the student organization must submit all monies raised – along with backup documentation including donor's name, gift amount, and gift designation – to the Development Department for processing no later than one week after the date of the event.
- 2.2. **All** checks must be made payable to "California Western School of Law" with the program or fund name listed in the check's memo line.
- 2.3. The Development Department will provide charitable tax acknowledgements to the donors directly for their donation, where appropriate.

3. Fundraising Policies for External Organizations and Charities

- 3.1. The external benefitting charity or organization must be selected at least two (2) months in advance of the fundraising event. The student organization is responsible for selecting the charity and notifying the charity of their selection.
- 3.2. Donations supporting the external organization or charity must be in the form of check or cash. Credit or debit cards or on-line donation tools are not allowed. Donations made by check must be made payable to the external organization or charity.
- 3.3. All forms of payment must be collected by the student organization.
- 3.4. Cash donations must be submitted to the Business Office, along with a check requisition form, in order for a check to be cut to the charity.
- 3.5. The student organization must deliver all donations to the charity and should provide them with a list of the donors (donor name and donation amount) so that the charity or organization may acknowledge the donors directly.
- 3.6. Since California Western is not directly benefiting from the monies raised, California Western does not provide charitable tax acknowledgements to donors.

4. Types of Fundraisers – Specific Procedures

4.1. Auctions

- 4.1.1. Prior to the auction event, the student organization must create a spreadsheet of donated auction items including donor's name and contact information, auction item name, item description, and fair market value of item (donor must determine this value and independent support must be provided to the Business Office). At least two weeks prior to the auction, the student organization must schedule an audit of the auction items with the Business Office. This audit must be performed after all auction items have been received and entered into the spreadsheet. The final spreadsheet must be submitted to the Business Office at least 2 days prior to the auction for use in auditing the auction items.
- 4.1.2. After the auction, the student organization must update the auction spreadsheet to include the auction item purchaser's information, purchaser's name and contact information, and auction item purchase price to the spreadsheet. An approved auction template is available from the Development Department. The completed spreadsheet must be submitted to the Business Office no later than 10 **business days** after the auction.
- 4.1.3. The only student organizations authorized to conduct auctions are the Student Body Association (SBA) and Public Interest Law Foundation (PILF).
- 4.1.4. New auctions will be approved at the discretion of the Assistant Dean of Student & Diversity Services and the Director of Development. Student

Organizations seeking to hold a new auction should seek approval at least six (6) months in advance of the event.

4.2. Food/Bake Sales

- 4.2.1. Bake sales and food sales, whether products are homemade or store-bought, and whether or not they are being sold in conjunction with non-food products, are considered food sales. See CWSL Room Booking Policy.
- 4.2.2. No more than two (2) food sales are permitted per week, and they cannot be held on the same day or on a day when the Dean hosts a social event with food, such as “Coffee with the Dean.”
- 4.2.3. Food sales are only permitted on the first-floor lobby at 350 Cedar Street; they may not be held on the second floor.
- 4.2.4. Per San Diego County Health Codes, only certain foods are allowed at Food Sales or any student organization tabling. Allowed foods are as follows:
 - Pre-packaged foods like chips, cookies, granola bars, pretzels, crackers, candy, bottled or canned waters or soft drinks.
 - Homemade baked goods like cookies, brownies, cupcakes.
 - Food delivered to CWSL from restaurants, delicatessens, and/or grocery stores, like pizza, Einstein bagels, Rubio’s, etc.
 - Food prepared or served by licensed caterers like Donna Blain Coffee, Bettina’s Custom Catering, etc.

The following foods are NOT allowed:

- Food that must be kept warm to be safe like cooked meats, casseroles, hot side dishes, nachos, chili, hamburgers, etc.
- Food that must be stored and displayed refrigerated like custards, mayonnaise-based foods, deli plates, cheese or meat sandwiches, hamburgers, hot dogs, barbeque pork or chicken, macaroni salad, ice cream, salads, sandwiches, etc.

4.3. **Direct Donations to Student Organizations with Thank-You Gift Items (PBS Model)**

- 4.3.1. Student Organizations may provide a “thank you” gift for a donors cash donation if the following policies are followed:
 - 4.3.1.1. The fundraising campaign including the specific gifts to be provided to donors along with all promotional materials (see 4.3.3.1 below) must be approved by the Assistant Dean of Students & Diversity Services and the Development Department at least three (3) months in advance. Requests submitted less than three (3) months in advance may not be approved.
 - 4.3.1.2. The fair market value of the thank-you gifts must be determined by the Development Department in collaboration with the student organization, and approved by the Business Office.

- 4.3.1.3. All fundraising solicitations and/or promotional materials must include the following language: "Your donation is tax-deductible less the fair market value of any goods or services received." If a specific donation receives a specific item or good in return (e.g. if a donor donates \$25 they will receive a t-shirt as a thank-you for their contribution), the donor will only receive a charitable deduction of their donation less the fair market value of the thank-you gift.
- 4.3.1.4. Thank You gifts are delivered to the donor at least 48 hours after the receipt of the donation.
- 4.3.2. Once the donation period is concluded, the student organization must submit the following information to the Development Department within seven business days:
- Total donation amount
 - Fair market value of the thank-you gift
 - Tax- deductible amount (total donation amount less the fair market value of the thank-you gift)
- 4.3.3. The Development Department will provide charitable tax acknowledgements to the donors directly for their donation, where appropriate.

Appendix B

MANDATORY CONTINUING LEGAL EDUCATION CREDITS (MCLE)

Events which qualify for California Mandatory Continuing Legal Education (MCLE) credits must comply with the [State Bar rules](#) (rule 3.601) and be coordinated through David Crowell (dcrowell@cwsj.edu) in Institutional Advancement.

For examples of activities that do and do not qualify for MCLE credit [click here](#).

Due to the requirements for State Bar approval, planning should begin at least six months before event date.

PROCEDURE FOR SCHEDULING MCLE EVENT

1. Review MCLE rule.
2. Request the CLE Activity Request Form from David Crowell. Upon receipt of the completed request you will receive the following items:
 - a. Speaker Roster including their titles, Bios (abridged), and their qualifications (concise) to present CLE on the subject area;
 - b. Detailed Agenda of the presentation / panel discussion(s);
 - c. Copy of the advertisement / flyer; and
 - d. Copies of the Substantive Written Materials.
 - Required if your activity is longer than 60 minutes.
 - Materials should augment the class discussion with citations to legal authorities (statutes, case law) so that attendees have useful information that they can reference if they want to learn more.
3. After the event submit the following items:
 - a. Completed record of attendance (originals with printed names, bar numbers and signatures); and
 - b. Completed Activity Evaluations (names)

TIPS ON PRESENTING AN MCLE EVENT

Helpful planning suggestions to consider **before** scheduling an MCLE event:

1. Define the objectives. What will the participant learn and be able to do at the conclusion of the course?
 - a. Clearly state the goals and learning objectives for the course.

- b. Determine how the program will change or enhance the attorney's attitude, knowledge, and skill at the conclusion of the course.
 - c. Develop a framework for selecting the learning materials, content, and method of delivering the program (live, online, lecture, interactive, etc.).
 - d. Provide an accurate description of the course.
2. If the program is intended for MCLE credit, the subject matter must be addressed specially to the attorneys.
3. Provide substantive written materials when the activity is more than one (1) hour in its presentation.
4. Define your audience. If your topic is based on a subject that can easily be converted or presented to any other group of professionals, and is not limited to attorneys and the legal education field, it may not be acceptable for MCLE credit. Examples of unacceptable topics may include:
 - a. Laws of Nature
 - b. Paralegal Courses and Annual Paralegal Retreats
 - c. Basic Computer Training
 - d. How to Make Your Website a Rainmaker
 - e. Quality of Life – Work Balance and Transitioning Away from the Practice of Law
 - f. Marketing or Advertising of Services to Gain New Clients (topics in which the primary focus is generating new business)
 - g. Topics to increase income for the firm or attorney's gain/profit; rainmaking to develop new clients; and building a niche practice or business.
 - h. Motivating employees
 - i. Stress management, and meditation/yoga retreats

California Western School of Law Social Media Guidelines for Student Organizations

Approved by Cabinet: January 28, 2014

Purpose of Guidelines

The purpose of this document is to provide appropriate best practices for California Western student organizations with social media channels in order to maintain a professional online presence for the law school and to protect the reputation of the law school.

Individuals posting on behalf of the law school and/or a student organization are expected to adhere to the policies and best practices included in this document and appendices, including:

- Notify the law school: Send your social media URL/handle to the Director of Marketing and Communications, at SocialMedia@cwsl.edu.
- Each social media account must have at least one responsible administrator assigned. Those who leave the law school should immediately have their user/administrator credentials revoked.
- Before opening an official CWSL organization social media account, a plan should be developed that includes the account's audiences and goals; as well as a strategy for keeping information on the site(s) up-to-date.
- Logins and passwords for each social media account should be kept on file by the organization administering the account.
- Students identified as administrators of accounts are trusted to manage and monitor content of their officially recognized accounts. Administrators are responsible to remove content that may violate law school policies.
- Accounts must include a disclaimer statement regarding posted content and opinions contained on the site.
- Inappropriate, offensive, injurious, and illegal content shall not be posted to organizational social media accounts. Violations of these guidelines will be referred to the Vice Dean for Academic Affairs for resolution.
- Best practices for social media, as outlined in Appendix 1 of this document, should be followed.

Scope of Policy

This policy covers all school-sanctioned student clubs and organizations at California Western School of Law.

What forums are covered?

This policy applies to all official social media presences for California Western student organizations including, but not limited to:

- Facebook
- YouTube
- Twitter
- Instagram
- LinkedIn
- Blogs
- Podcasts

Social Media Guidelines

All members of the law school community are trusted to respect and protect the image and reputation of the institution as they participate in social media channels as representatives of the school.

- Protect confidential and proprietary information: Do not post confidential or proprietary information about California Western School of Law, its students, faculty, staff, administrators, or alumni.
- Respect copyright and fair use: **Do not use material from any other source without permission.** See Appendix I, "Using Images Created by Others."
- Do not use California Western logos or resources for endorsements: Do not use the law school's name or resources to promote a product, cause, or political party or candidate.
- Do not use the California Western nameplate, seal, or any other law school images or iconography on personal social media sites.
- Abide by policies and procedures: California Western does not monitor personal websites but will address issues that violate related and established policies and procedures.
- Terms of service: Obey the Terms of Service of any social media platform employed.

When posting, acknowledge who you are: If you are representing California Western when posting on a social media platform, acknowledge this. If you are expressing your own personal opinions, state this as well.

Protect the institutional voice: Posts on social media sites should reflect the law school's mission and values by remaining professional in tone and in good taste.

Appendix 1 (Social Media Best Practices)

Practical Application of the Policy: This section applies to those posting on behalf of the law school, a program or department, though the guidelines may be helpful for anyone posting on social media in any capacity.

- *Consider how best to identify yourself:* Program or department social media channels should be clearly labeled as such, so as not to be confused with the law school's main social media channels. The Director of Marketing and Communications is available to assist with naming, photos, or icons.
- *Think twice before posting:* Posts can become widely known. Think through how your choice of words reflects on you and the law school. Search engines can turn up posts years after they are created and deleted, and comments can be forwarded or copied. If you wouldn't say it publicly, consider whether you should post it online.
- *Be accurate:* Verify facts before posting them on social media or online. Review content for grammatical and spelling errors if posting on behalf of the law school in any capacity.
- *Be respectful:* Understand that content contributed to a social media site could encourage comments or discussion of opposing ideas. Responses should be considered carefully in light of how they would reflect on the poster and/or the law school and its institutional voice.
- *Use discretion:* Refrain from reporting, speculating, discussing, or giving any opinions on law school topics or personalities that could be considered sensitive, confidential, or disparaging.
- *Remember your audience:* Be aware that a presence in the social media world is available to the public at large including internal audiences, prospective students, peer institutions, and colleagues. Ensure the post will not alienate, harm, or provoke any groups or individuals.
- *On personal sites, identify your views as your own.* If you identify yourself as a member of the California Western faculty or staff online, it should be clear that the views expressed are *not* those of the institution. If you have information and news that you would like to announce to the public or media, please contact the Director of Marketing and Communications.

Appendix I

USING IMAGES CREATED BY OTHERS (rev. 7/15)

As a general rule, you may not use graphic images found on the Internet in your own work even if the image does not say it is copyrighted.

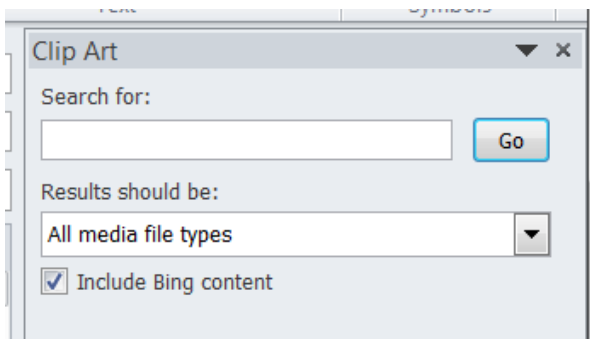

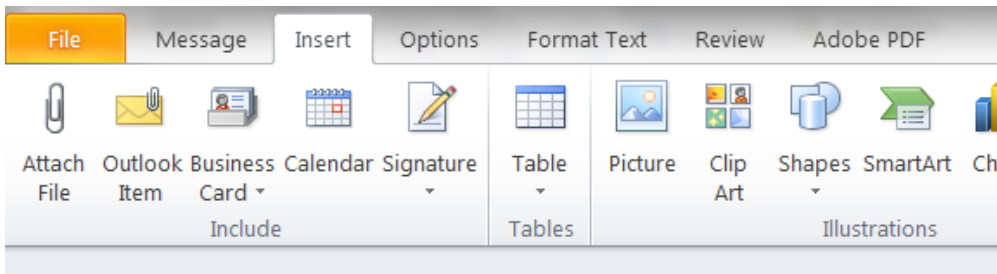

Exceptions:

1. Image says it is in the public domain.
2. Source of the image clearly states that image may be used by others.

Where can you get images to use without violating copyright law?

A. Microsoft Office clip art

Up until 2015, your Microsoft Office license allowed you to use anything in the Microsoft clip art file. Beginning in 2015, Microsoft phased out its clip art files, instead, its clip art function directs users to Bing images.

Microsoft indicates that its Bing Image Search uses a copyright filter based on the Creative Commons licensing system retrieving only images that have been tagged with Creative Commons licenses. Unfortunately, Creative Commons licensing does not mean that an image is copyright free – it just means that you may use the image if you follow rules for the Creative Commons license for the image.

If you do the search including Bing content, the images you bring up may or may not have a link to the source of the image. You should follow the link to the source and review the applicable

license to determine whether your use will comply with the license. If you are using the image non-commercially, in most cases you will be able to use the image as long as you give attribution. Unfortunately, there has been some Internet discussion that there are missing and broken links on the images retrieved, so the system is less than perfect. The images you find using this approach should be fine for internal uses, such as an email, internal presentations, and temporary non-digital posters, but should not be used for items which may find their way on to our web site as digital files. (These items can be retrieved by searching and could lead to infringement actions.)

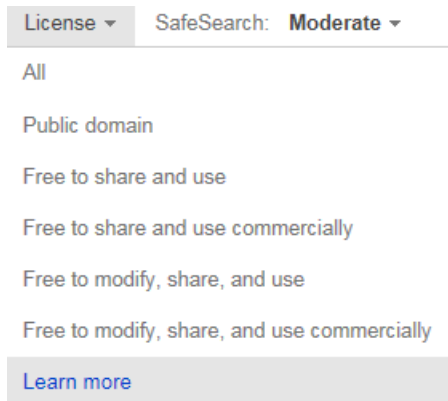

Bing.com

Instead of getting Bing clip art through Microsoft applications, you can go directly to Bing.com to recover images that Bing says are either in the public domain or under Creative Commons licenses. There is some disagreement over Bing's diligence in determining the licensing of images, but you are probably safe with using the images, particularly if you give attribution.

1. Go to Bing.com.
2. Click **Images** at top of page.
3. In the search box type what you are looking for. If you specifically want clip art, type "clip art" as part of your search. For example:

4. Enter.
5. Click on License drop down menu.

6. The safest license is "Public Domain"; the largest subset is "Free to share and use".

7. If you hover your cursor over the image, it may indicate a source. If it does, give attribution to Bing.com, with the source.

600 x 600 • jpeg • freestock.ca

Attribution on your use: Bing.com: freestock.ca

If there is no attribution on the image, the attribution on your use would be Bing.com.

Caveat: the images under the public domain licenses included some images with popular cartoon characters such as Snoopy and Mickie Mouse. Since I am highly skeptical that these are actually in the public domain, I would suggest you refrain from using these.

B. Public domain sources:

- a) www.pdclipart.org

- b) www.openclipart.org

- c) <http://classroomclipart.com/clipart/Clipart/Legal.htm>

- d) <http://www.dreamstime.com/>

Download Royalty-Free stock photos, illustrations & images for as low as \$0.20 / image or free. DREAMSTIME offers both free and royalty free (slight cost) images. You need to sign up for the free service and make sure that you follow the tabs to the free images section.

“License: Royalty- Free License of use of Non-Watermarked Images and Restrictions”

The high-resolution images that you download under the regular Royalty Free (RF) license may be used to make fine art prints, on a web site, in a magazine, newspaper, book or booklet, book cover, flyer, application software (apps) or any other advertising and promotional material, in either printed or electronic media, as long as the item in which the image appears does not contradict any of the restrictions below....

[Excluded uses]: Web templates, greeting cards or postcards especially designed for sale, similar print-on-demand services, canvas, t-shirts, mugs, calendars, postcards, mouse pads or any other items incorporating the image in an essential manner, intended to be sold are considered redistribution (if the image is used in an essential manner)....

Buying the high-resolution image (purchasing the license) does not transfer the copyright. You may not claim that the image is your own and you may not sell, license for use, or in any way distribute the image for reuse. We recommend that you credit the agency and the photographer when you use an image. By this you benefit the community at Dreamstime.com, of which you are an integral part, and help increase your success as part of the community, which, by growing contributions, gains quantity and quality.”

There is one additional restriction for images from the “free” section of the service: the maximum amount of copies is limited to 10,000 copies.

- e) http://commons.wikimedia.org/wiki/Main_Page

Wikimedia Commons a database of over 16,000,000 freely usable media files. It's a rather dense databases, but includes a great many images (and sounds and videos) and it tells you why each particular image is in the public domain.

If you can't find a public domain graphic image that meets your needs:

1. Get permission or a license. If you find a graphic you'd like to use, contact whoever holds the copyright to the graphic to ask for permission. They may be happy to give permission (or license) its use, but they may want to charge a fee for the use.
 - a. The copyright holder may or may not be clear. BE AWARE that it is somewhat probable that it won't be the site where you found the graphic. The site may be using the image with permission or without permission.
 - b. If you get permission or a license to use an image, with or without payment, please get the permission IN WRITING AND FORWARD A COPY OF THE PERMISSION to Phyllis Marion so we have a record that permission has been granted.
2. Purchase an individual image. It is possible to purchase (for a relatively small fee) individual images that are royalty free from one of several sites that are in the business of selling stock images. The site may ask you to set up an account or a subscription. Possible sites include:

www.Shutterstock.com
<http://www.fotosearch.com/clip-art/law.html>

<http://us.fotolia.com/>
<http://www.dreamstime.com/>

3. Purchase clip art software. If your department is a heavy user of graphics, there are several inexpensive clip art software packages available for purchase. Make sure to check with IT about whether the package is compatible with CWSL technology. Below is a site which reviews clip art packages. (It is only up to date through April 2011.) The site also has links to various sources of images that are royalty-free (but with a small fee for use).
